CRESCENT TRAIL ASSOCIATION

A FOOTPATH IN PERINTON

FAIRPORT, NEW YORK 14450

UPDATE  
NOVEMBER, 1982

ELECTION OF OFFICERS - All last year's officers will be serving another year after the September 8th election. Liz Allen has agreed to act as Publicity/Public Relations chairperson. We have several new members, some new faces at work parties and hope for some rotation in officers for next year has been expressed by some current ones.

GRAND HIKE II - There were over 70 counted hikers plus several others who stopped by for maps or called in for information for hiking on their own. Our updated maps, designed and reproduced by Erik Nelson, have been put to good use. Maps are currently available at the reception desk at the Town Hall and at the Fairport Library.

TRAIL SPONSORS - We have only one taker so far. Allan Donk has adopted the section along the south bank of the canal from Pittsford's Carterville Trail to the sidewalk across from Hitching Post Plaza. Thanks to help from Don Hull in supplying barrels from the American Can and the Town DPW emptying them weekly, This section is almost as clean as it was when opened in the Spring. You (and a friend, or your family) can have the pick of a section of trail to be your very own. If your section has problems you need help on, a work party will be organized for you.

GENESEE VALLEY HIKING ASSOCIATION - On October 31st we had 20 hikers on an all day 12 mile hike on a beautiful route in Perinton; none of it existing Crescent Trail. We have a lot of trail to build yet!! A couple of miles will surely be available to build by Spring.

WORK CREWS - There is more work to be done on the new trail in the beautiful valley south of Foley Road. This area is skiable for novices even. Call Louise Nelson (425-2120) and let her know if you will be available for trail work. A few hours will help. Due to the length of the trail to maintain, we now own a gasoline-powered, back-carried weed cutter.

1983 DUES - If you haven't sent in your 1983 dues, our Treasury needs your \$5 as well as your show of support. Send dues to Judy Logan at 12 Little Spring Run or Nancy Whitcombe at 57 Little Spring Run, both Fairport. (If you joined after June, dues are paid for 1983.)

NOVEMBER 21st HIKE AND WINE TASTING - For members and their friends only. Will leave the Moseley Road end of Foley Road at 2 p.m. (Doug Kraai will have the gate open for parking off Moseley on Foley Road.) Plan a moderate but very scenic 2-hour hike then wine tasting at Casa Larga Estate Winery en route before returning to your cars at the other end of Foley Road.

WINTER HIKES - present plans are for two afternoon cross country ski outings (suitable for novices) for members and friends using parts of the existing Crescent Trail. More information later.
