

CRESCENT TRAIL ASSOCIATION

A FOOTPATH IN PERINTON

FAIRPORT, NEW YORK 14450

JANUARY 1983
NEWSLETTER

Our second Grand Hike was held on October 17th on the Town Property on Garnsey Road. 70 people enjoyed the choice of a one-hour or two-hour hike through the varied terrains and colorful foliage.

November 21st was the date that 27 members hiked the newest trail segment on Foley Road. In addition to the blazed trails permission was granted by landowners to cross their property for the hike. We wound around between Moseley Road and Turkhill Road and ended the hike at Casa Larga Winery. The tour of their facility and the tasting were enjoyed by all.

Response to the request for annual dues has been good. If you have not renewed, please send your check to Nancy Whitcombe, 57 Little Spring Run, Fairport. We cannot send newsletters indefinitely to unpaid members, so please put a check in the mail if you have not paid (\$5.00). New members joining after June 1, 1982, do not need to renew until October 1983. Family memberships number 43 paid including new and renewals. A glance at the mailing sticker on this newsletter will indicate if your dues are current.

Several unsolicited, generous contributions have been received in addition to the annual dues to help support out trail work. To these people, who have not received individual notes of thanks, the officers wish to express their gratitude for the added support.
