NEWSLETTER

The following hikes are planned for Crescent Trail Association members and friends:

April 17th 2:30 P.M. Ellsworth's property off Bluhm Road ²⁴²⁵

Parking will be in their driveway (300 yards past Victor-Egypt Road). We'll have a cookout following the hike for those who wish to stay. Each family should bring a dish to pass and their own meat and beverage.

May 15th 1:00 P.M. Town Property ^{✓ RECESS}

Employees of the Town of Perinton and Town Boards members will be invited to join us for the short or long loops on the Town Property.

June 5th 1:00 P.M. Ellison Park to Penfield Road

This is a new trail being developed by Monroe County Recreationways in a hilly, wooded section of the park which has never before been groomed or used as a part of the park. For parking: Going south on Blossom Road, take the first left beyond Daisy Flour Mill Restaurant; then take first right and, keeping creek on your left, follow around to Circle Shelter parking lot. Following the hike, we'll have a cookout at Liz & Les Allen's (Midvale Drive in Fairport). Those interested should bring a dish to pass and their own meat and beverage.

We have ordered 4" crescent-shaped patches with the trail logo and they should be available in approximately 3 weeks, at a price of \$2.50. Contact Judy Logan if you'd like one.

Spring is the time we start clearing, blazing, and cleaning existing trails. Louise Nelson will be leading work parties the first Saturday of each month. Call her for details. All families who adopted trail sections, please check your section and report any major problems to Louise (425-2120).

If you'd like information about the positions and jobs of the officers of the Association, please contact Judy Logan. Elections are held at the September meeting (September 8, 1983). At the August meeting a Nominations Committee will be appointed. Anyone wishing to run for an office should submit his or her name to Judy Logan by the August 11th meeting.

Meetings are still held the second Thursday of each month at 12 Little Spring Run at 7:30 P.M.

If there are any questions, call Judy Logan at 248-5933, or Allan Donk at 223-1427.
